

# Marcus West

I met Marcus West at Cardiff University – I was on an MA and he, a PhD. His math-related computer graphics seems appropriate for my making a digital music video of

## **RADIOTHERAPY FUN**

**<https://youtu.be/fNI3-cuTzvs>**

Marcus gave me permission to modify and animate his computer graphics. I used polygonal images to signify the radiotherapy machine, beautiful round images to signify cancer cells, and had fun animating them to express my own experience!
